

### Construction, Driveways and Addresses

Here are a few things you will want to keep in mind when planning your building project:

- The Town of Union requires all property owners to complete this form for both new construction and/or remodeling of an existing building. Click here for the [Construction Information Form](#) or contact the Town Clerk or Town Chairman - see [Town Officials](#)

- Wisconsin State Uniform dwelling code **requires all dwellings (housing) to be inspected prior, during, and after construction** the contact information is on the construction information form.

- You must obtain your own dumpsters for your construction waste, they are not provided for you by the township.

- [Information about Driveways and Addresses](#)

### Fireworks

A [Permit for Discharging Fireworks](#) is required.
